Yes....Plesae call me anytime on the cell [Redacted - Privacy Act]. We are also working on a tour of the Greka sites for April and I'll keep you posted. I hope everything works out with the family. Jim

Jim,

I've had a family emergency and will be out of the office for the next few weeks. Would it be possible for us to chat about Halaco when I return?

In followup to the emails and the meetings yesterday and tonight in Oxnard, we were trying to set up a call tomorrow to answer some additional questions and provide an update on the site activities. Given the responses that I saw, it sounded like Thursday afternoon worked for most folks. Can we try for a call on Thursday (3/12) at 4pm....I can call everyone in if that would still work. Thanks, Jim
